

The Ursuline College Bachelor of Arts in Psychology will introduce you to the study of human behavior and mental processes. Psychology majors are trained in the Boulder Model, which includes courses in the scientific process as well as the practical application of psychological principles. Students will also learn how to conduct, interpret, and analyze psychological research. This program will all provide students the opportunity to blend the strengths of a strong psychology major with business courses for various application in the workplace.

ADMISSION REQUIREMENTS:

Prospective students must meet the Ursuline College Accelerated Program (UCAP) admission standards for transfer students. These recommendations include a minimum of 30 previous college credits and a cumulative grade-point average (GPA) of 2.5. Students looking to transfer with less than 30 credit hours or lower than a 2.5 GPA can still apply and may qualify for conditional admission. We require the completion of an online application at <https://www.ursuline.edu/admission/overview> and the submission of all transcripts from previous colleges. Unofficial transcripts are acceptable, with official transcripts required within your first semester of classes.

PARALLEL PROGRAM:

A completed Associate of Arts degree is highly recommended, but not required.

TUITION & FEES:

The Ursuline College Accelerated Program (UCAP) tuition rate can be found by online at <https://www.ursuline.edu/cost-aid/tuition-costs/accelerateducap>.

REGISTRATION PROCEDURE:

Once the online application and all previous college transcripts are received, the applicant will be evaluated for acceptance into the UCAP/ Holden University Partnership program. A follow-up meeting will be scheduled to review your degree plan, course options and if ready to move forward, proceed with course registration.
