

Holden University Center
**Master of Science
in Nursing**
CAMPUS

Ursuline College offers a Master of Science in Nursing (MSN) degree in two tracks: Adult-Gerontology Primary Care Nurse Practitioner and Family Nurse Practitioner. The Ursuline College MSN education is presented through a values-based framework that emphasizes critical thinking, problem-solving, and core skills for direct advanced patient care nursing practice.

Mission: Transforming the health of the community through reflection and healing interaction with individuals and organizations.

ADMISSION REQUIREMENTS:

- A bachelor's degree in nursing from an accredited college or university.
- Official degree transcript(s) for undergraduate or graduate academic coursework including one that verifies completion of an accredited baccalaureate program in nursing. Transcripts must be forwarded to the Office of Graduate Admission directly by the academic institution.
- Evidence of ability to do graduate work as indicated by a recommended 3.0 GPA documented on applicant's transcript(s) from the baccalaureate nursing program.
- Three recommendations utilizing the required recommendation form.
- Current, unencumbered Ohio Registered Nurse license.
- A current resume reflecting a minimum of one-year work experience as a registered nurse. Nursing experience must be within the past two years.

REGISTRATION PROCEDURE:

Registration occurs online except for initial registrations that are handled by the graduate nursing office. Students meet or consult with their academic advisors to select the courses for registration each semester. The academic advisor will grant clearance for student's online registration. During the registration period the student is able to go online and register. Students may add or drop courses until the first day of classes. Course schedules will be posted online under the registrar's webpage.
