Conquer your math class!

This group is open to all women taking MATH 0745 - MATH 1650.
You may attend weekly or as needed. Walk-ins are welcome!

With questions, contact:

dmull3@lakelandcc.edu • 440.525.7596 | cblaiser2@lakelandcc.edu • 440.525.7762

"Thank you so much for offering this math group. Christy, the tutor who leads it, is so awesome. She has a way of explaining things that just makes the light bulb go on! Before I joined this group I was worried about whether or not I could get a C in my MATH 0850 class, but with the help of this group I got 100% on my final!" – Dawn L.
