

What happens in the registration process?

You'll get an email in your Lakeland student email inbox from noreply@e-academy.com. The user name is "**Lakeland Community College - Information Technology & Computer Scienc – MSDNAA**":

Lakeland Community College - Information Technology & Computer Scienc - MSDNAA noreply@e-academy.com to me

** This is an automated message -- please do not reply as you will not receive a response. **

Welcome <your email address> to your MSDN Academic Alliance WebStore:
Lakeland Community College - Information Technology & Computer Scienc - MSDNAA

You'll be excited to know a user account was just created for you at your school's MSDN Academic Alliance (MSDNAA) WebStore. With it, you can download and access a wide range of Microsoft developer tools, servers, and platforms for free!

Get Started Now

To complete the registration process, you need to follow just 1 step! Clicking the registration link below will send you to a page where you'll be asked to create a unique password for your account. Once that's complete, you're done!

Complete Your Registration:

http://e5.onthehub.com/d.ashx?s=A_ series of letters and numbers

If you experience problems clicking the link above, please try copying and pasting the entire link into a browser.

Technical Support

If you have any technical difficulties while registering, downloading the software, or anything else, check out the Help section of your WebStore and review the frequently asked questions. If you don't find what you're looking for, just click the Contact Us link at the bottom of the Help page to contact your Program Administrator to get additional support.

For help go to:

The screenshot shows the 'Account Registration' page on the MSDN Academic Alliance Software Center. The page is titled 'msdn academic alliance Software Center' and features the Microsoft logo. The registration form includes the following fields and options:

- Last Name*** (Sample)
- First Name*** (Sample)
- Username (Username and Email Address)*** (Sample)
- Email Address*** (Sample)
- I would like to subscribe to receive information on the latest Microsoft events, updates, special offers, and more!
- Create a Password*** (Sample)
- Password must be at least six characters long.
- Confirm Password*** (Sample)
- Not repeat the password above.
-

An orange arrow points to the 'Register' button. At the bottom of the page, there are logos for 'Verified Training', 'Delivered by Check', and 'Powered by e-academy'. The footer text reads 'US 20070524 1922795100'.

Type in your name, make sure your email address is correct, but DO NOT CHANGE IT, then create a password for yourself. When you are ready, press "Register" and you are good to go.
