As a Lakeland student, I understand and authorize Lakeland Community College to debit and/or credit my depository account for any payments made with a personal check through ACH electronic method. If I do not want my personal check converted to an electronic payment, I understand that I must send to Lakeland Community College a statement enclosed with my check requesting that the College does not process the check with the ACH electronic method.

If you have received your award notification in your Lakeland email, and you registered for the minimum number of credit hours required to receive the aid, your aid will be applied to tuition charges. Class attendance will be reported by the faculty.

You must have a means to cover indirect educational expenses until you receive your credit balance.
