

Student Chromebook Rentals

Any student registered for classes in current active terms can request a Chromebook to borrow. Access the Chromebook Reservation link via myLakeland on the "Student" tab.

Upon clicking the [Chromebook Reservation link](#), student eligibility will be checked (currently registered students can reserve a Chromebook for the upcoming semester) and students will be taken to a Chromebook Reservation Form to fill out. Students needing to renew their current Chromebook reservation will follow the same link to a renewal form. Pickup/return instructions will be emailed.
