College Option for LPN to RN Applicants

Must have a GPA of 2.5 on a 4.0 scale at the time of application and admission.

Admission Requirements

- Successful completion of any required developmental courses based on college readiness standards (See Counseling and Advising Center for additional information)
- Must have a cumulative GPA of 2.5 on a 4.0 scale at the time of application and admission.
- Official copy of high school transcript with the graduation date or a copy of your GED
- Official copy of LPN transcript with graduation date
- Successful completion of LPN program with "C" grades or higher in all classes
- Valid Ohio LPN licensure with no restrictions to practice as a LPN
- Complete the following four courses (or equivalent courses from a regionally accredited college) **prior to applying** for admission into the nursing program:
 - BIOL 2210 Anatomy and Physiology I
 - ENGL 1110 English Composition I (A) or ENGL 1111 English Composition I (B)
 - MATH 1330 Statistics for the Health Sciences or MATH 1550 Statistics
 - PSYC 1500 Introduction to Psychology

All courses need to be completed with a "C" grade or higher with the exception of BIOL 2210 Anatomy and Physiology I which needs to be completed with a "B" grade or higher.

BIOL 2210 Anatomy and Physiology I and MATH 1330 Statistics for the Health Sciences or MATH 1550 Statistics may be taken a total of two times each. Students must also have an overall cumulative GPA of 2.0 higher while enrolled in the nursing program.

Students will apply to the nursing program upon completion of the four courses and placement will occur on a space available basis.

All students enrolled in a nursing or allied health program/certificate must complete a criminal background check. In accordance with clinical site requirements, students with a criminal record maybe ineligible to participate in a clinical course/rotation/practicum resulting in ineligibility to complete the nursing program. Delays, for any reason, in obtaining background results may cause an interruption in course sequence and/or inability to complete program requirements. Additional background screening may be required. Drug testing and vaccinations are required in accordance with clinical affiliation requirements. Students will be required to successfully pass a physical examination without restriction.
