

Greetings -

Registration for Fall 2016 opens on Monday, April 4 at 8:00 a.m.

Fall 2016 Class Schedule is online-only at www.lakelandcc.edu/schedule

Important Dates – Fall 2016 Semester

✓ “Important Dates” for Fall 2016: Dates will be [posted online](#) and in your [myLakeland](#) student account.

Veterans Registration Reporting (VRR) Form

REQUIRED: Students receiving Veterans Administration (VA) educational benefits at Lakeland are REQUIRED to complete the VRR form EVERY semester in order to be certified. VRR forms are available in the Admissions Office A-1001 and at the Lakeland’s Veterans website:

www.lakelandcc.edu/veterans (under “Documents & Forms”)

Eligible/Payable Courses

Only courses listed on your degree planner or listed as course requirements in the college catalog for the degree(s) you are pursuing are eligible for VA educational benefits.

If you attended another college or university prior to enrolling at Lakeland, you **must** have your official transcript from ALL former colleges sent directly to the [Admissions Office](#) at Lakeland. Once we receive your transcripts, schedule an appointment with a Lakeland academic counselor for an official evaluation of transfer credits. The VA will not pay for retaking courses that have been successfully completed at a prior institution.

The VA **will** pay for:

- Courses required for your degree program
- Remedial courses if there is a documented need
- Courses repeated due to failure or if grade received does not meet degree requirement

The VA **will not** pay for:

- **Online or Hybrid** remedial courses
- Courses in which a passing grade has already been earned
- Retaking courses that have been successfully completed at a prior institution
- Courses not attended or pursued
- Courses withdrawn from
- Courses needed at another college if you are not enrolled at that college (unless you meet specific requirements – See Terri Dietz for details).

Counseling Services

Meeting regularly with your academic counselor at Lakeland is critical to ensuring you enroll in only those courses that are **required** for your degree and are eligible for VA educational benefits. Be sure to [schedule an appointment with your counselor](#) prior to registration each semester.

[Walk-in counseling](#) is available for less in-depth sessions.

Reminder: Fall 2016 Graduation Application Deadline is Friday, October 28, 2016

Dual Major

Students may pursue a dual major as part of a single objective. Only courses required to complete the dual major can be certified. See Terri Dietz for details.

Degree Tracker

Track your progress by using the degree audit program "Degree Tracker" available in your [myLakeland](#) student account. In the "Student Tab" under "Quick Tools", click on the Degree Tracker icon to view your program information, academic history, "what if" scenarios, and more.

VA Enrollment Status

For VA reporting purposes, your enrollment status (full-time or part-time) is measured by the number of semester credit hours taken in a sixteen, eight or five week session:

Veteran Enrollment Status by Number of Credit Hours & Session			
Status	16 Week Session	8 Week Session	5 Week Session
Full-time	12 credit hours	6 credit hours	4 credit hours
¾-time	9 credit hours	4-5 credit hours	3 credit hours
½-time	6 credit hours	3 credit hours	2 credit hours
CH:33 Only	7 credit hours	4 credit hours	3 credit hours
Over 50% Rate of Pursuit			

CAUTION: Be aware of the start and end dates of the classes you choose and how they may affect your enrollment status for VA educational benefits:

Session	Start Date	End Date	Session Length
Full	August 27, 2016	December 16, 2016	16 weeks
First (P1)	August 27, 2016	October 21, 2016	8 weeks
Second (P2)	October 22, 2016	December 16, 2016	8 weeks

Policies

To continue receiving VA Educational Benefits, you must meet the college's Standards of Academic Progress, Student Conduct Code, and Attendance policies. Please be sure to review these policies located in [Lakeland's 2015-16 Catalog](#) and [Student Development Documents and Forms](#).

Failure to attend class does not constitute withdrawal. To withdraw from a course, you must officially drop the course by posted withdrawal deadlines. Any time you drop or add a course, you are required to notify Terri Dietz and the VA to avoid overpayment issues.

Nonattendance has a very negative impact on your continued eligibility for educational benefits.

CAUTION: You are responsible for ALL debts resulting from reductions in your enrollment.

Tuition & Fees

You are responsible for ensuring all tuition & fees are paid by the [due date](#). If your certification is delayed for any reason, you must enroll in the [Lakeland Tuition Payment Plan](#) to avoid being removed from your classes and affecting your eligibility for VA benefits.

Veterans Receiving Chapter 33 Benefits

Monthly Housing Allowance (MHA)

Monthly Housing Allowance benefits are prorated and based on a "Rate of Pursuit" that is GREATER THAN 50% (rounded to the nearest multiple of 10).

EXAMPLE: Full-time enrollment is 12 or more credit hours in a 16 week session. If you enroll in 9 credit hours, your "rate of pursuit" is 75% (9 credits divided by 12 credits). 75% is then rounded to the nearest multiple of 10, which in this example is then 80%. This means you will receive 80% of your applicable MHA rate.

- **Online classes:** MHA for **ALL** online classes is \$754.50.
- **Zip Code:** MHA for Lakeland's zip code (44094) is \$1,426.00
