

If you are a registered nurse ready to move ahead professionally, Ursuline's RN to BSN program will help you reach your goals! The online RN to BSN degree program is designed for working professionals looking to advance their nursing practice and earn a bachelor's degree. In addition to transfer credits, students are eligible to receive up to 40 escrow/bypass credits for previous nursing courses. You will earn a respected degree that allows to progress in your current setting or seek new opportunities. The flexible programs offered at Ursuline will accommodate your busy schedule.

ADMISSION REQUIREMENTS:

Prospective students must meet the Ursuline College admission standards for transfer students. These recommendations include an associate degree in nursing, an unencumbered RN license in the State of Ohio, a personal statement, resume, three professional recommendations and a cumulative grade-point average (GPA) of 3.0. We require the completion of an online application at <https://www.ursuline.edu/admission/overview> and the submission of all transcripts from previous colleges. Unofficial transcripts are acceptable, with official transcripts required within your first semester of classes.
