Please see Lab Attendant for Adobe Creative Cloud and Adobe Dreamweaver CC along with which computers have the Microsoft Project and Visio.

Holden University Center

Please contact the university center at 440.525.7535 or uc@lakelandcc.edu for information regarding open lab locations and additional available software.

Printing Options for Students

Printers are available in the open lab in A-1046 and at the Holden University Center. Students can also print to most copiers on campus by going to the Lakeland print account at <https://print.lakelandcc.edu/user>. They can also contact the [Help Desk](#) 24/7 or at 440.525.7570.
