

Youngstown State University's (YSU) Bachelor of Science in Applied Science (B.S.A.S.) in Criminal Justice is a bachelor's degree completion program for students who have completed an associate degree in criminal justice. YSU provides 30 semester hours of criminal justice courses taught by YSU professors through Lakeland's Holden University Center. Students pay YSU tuition and fees for these 30 hours. All other necessary coursework, general education requirements, courses for the required Associate of Applied Science degree (A.A.S.), can be taken at Lakeland paying Lakeland tuition costs. Once students have completed all Lakeland courses toward their A.A.S., they may apply for admission to YSU as a transfer student to begin the B.S.A.S.

ADMISSION REQUIREMENTS:

Partnership students must meet YSU admission standards, including a 2.0 cumulative grade-point average (GPA).

**WHEN SHOULD I REQUEST AN
EVALUATION OF MY CREDITS?**

Prospective students are encouraged to meet with a YSU representative near the completion of their associate degree to review their transcripts and gain a better understanding of the partnership.

Youngstown State University is aware of the budget conscious student. We will work with you to complete as many credits as possible at Lakeland's tuition rate before transferring to YSU.

Academic advisement begins in October and March with registration (building your schedule) following in November and April for the subsequent terms. Students applying in time to be accepted and advised in October and March will have the best selection of course options. Please keep in mind the YSU deadline to apply is typically earlier than Lakeland's.

PARALLEL LAKELAND PROGRAMS:

An A.A.S. in criminal justice is required. A YSU advisor will work with students to determine what additional Lakeland courses may be required.

TOTAL HOURS NEEDED:

The B.S.A.S. in criminal justice requires a minimum of 120 credit hours, including approximately 60 credit hours in criminal justice coursework.
