

The background of the poster is a collage of artistic elements. On the left, there are several yellow ceramic vessels, including a teapot and a pitcher, set against a light blue and white background. On the right, a person's legs in dark blue denim jeans and black sneakers are visible, sitting on a blue and white patterned surface. The overall aesthetic is creative and artistic.

It's the summer of 1953 in Florence, Italy and a beautiful, yet surprisingly childish, young American woman loses her hat in a sudden gust of wind, which lands at the feet of an Italian young man. And so begins a lovely fable charged with fate and intense romance. As the girl and boy's families become involved, a secret is revealed and nothing will ever be the same. Youth, romance and mature passion blossom in the heat of an Italian summer.
