

AQIP Update

Fall 2013

The AQIP Coordination Committee is presently seeking ideas for future AQIP Action Projects.

As an AQIP institution we need to always have at least three active projects underway. Here are our current projects:

New Student Orientation

ends December 1, 2013

Succession Planning/Talent Development

ends March 2014

Student Success - Focus on Completion

ends September 2014

Project ideas received and still under consideration:

- Assess and Expand Support Services for Online Students
- Aligning Curriculum, Support and Expectations for Partner Programs
- Alternate Pathways
- Academic Intervention/Early Alert
- Assessing the work of the AQIP Action Projects/evaluation of results

At this time, we're looking for a new project to begin before December 1. Have an idea for an AQIP Action Project?
