

Bridge your Math Gap!

Do you want to brush up on your math skills, so you can be ready for college classes?

Lakeland offers FREE programs to refresh your knowledge and build your confidence.

Summer Math Bridge Program

This program provides 10 weeks of classes that combine study and once-per-week in class instruction. Registration opens April 1, 2017. Register in myLakeland Schedule It.

Math Bridge Day Session • June 7 - Aug. 9

Classroom instruction: Wednesdays from 9:30-11 a.m.

Math Bridge Evening Session • June 6 - Aug. 8

Classroom instruction: Tuesdays from 6:30-8 p.m.

To participate:

- Choose the session that works best for you.
- Take the online ALEKS math diagnostic test. Instructions will be provided upon registration.
- Follow the online math modules recommended for you based on your ALEKS test results.
- Meet with instructors each week. Extra tutoring is available outside of class if you need it.

Once you are finished with your session, you can retake the Accuplacer test for FREE.
