HEALTHCARE CAREER PATHWAYS

**Resource Guide
to
Area Services**

Congratulations

on your decision to expand your education!

We hope it will be a rewarding, enriching, and most importantly, life changing journey for you.

We realize that any journey worth taking is not without its challenges.

This guide is a reference for the most frequently encountered issues that may affect future and/or current students working to get ahead in their education. While it does not include everything, we hope it provides some initial direction.

Please share any successes and/or challenges that you encountered with any of the organizations listed. If we've overlooked a resource that you believe should be included, please let us know.

Child Care

Childminders - Lakeland Main Campus - L01

440-525-7010 • 440-525-7500

Child must be at least 3 years old and fully potty trained. Parents must remain on campus while their child is in care. In person registration (\$7 fee) is conducted on a first-come, first-served basis before the semester begins. Care rate is \$2.50 per hour with a maximum usage of four hours/session. Cards for child care must be purchased at the Cashier Office. For more information, visit lakelandcc.edu/childminders.

The county department of Job and Family Services subsidizes child care for eligible county residents when the parent/caretaker is employed and/or attending school. Fees are on a sliding scale. Applications may be returned in person, by mail, or by fax. Applicants must be interviewed before eligibility can be determined and service authorized. For information about eligibility in your county of residence, call:

For assistance with eligibility for adults, pregnant women, and/or children for Food Stamps, Medical Program, Ohio Works First Cash Assistance, or Prevention Retention and Contingency Services (PRC), please contact your local county Job and Family Services as listed beginning on page 6. The latter two programs are limited in eligibility to pregnant women and/or families with minor children. PRC may help with utility shut offs, eviction, first month's rent, car repairs and/or job related expenses. Eligibility is generally determined in consideration of all monthly gross income and family size and varies by county. For some programs, consideration is given to resources including savings accounts, 401k, etc. A face-to-face interview is generally required, but may not be required for medical programs alone.
