OhioLINK adds 8 Millionth Article to the EJC

The eight millionth scholarly research article was recently added to OhioLINK's award-winning Electronic Journal Center. The EJC provides students, faculty and staff at participating OhioLINK institutions with instantaneous online access to more than 7,100 journals from 101 publishers.

OhioLINK users downloaded 4.9 million articles from the EJC in 2006. A total of 25 million articles have been downloaded from the EJC since its inception in April 1998.

Check out the EJC at:

Library Mission Statement:

The Lakeland Community College Library is a full partner in the teaching and learning process of the college community. As the major information resource on campus, the library supports quality opportunities for lifelong learning by acquiring materials in support of the curriculum, providing access to those materials, and teaching information literacy skills.

General Education Outcome # 5:

Uses Information Effectively and Responsibly

The information literate learner accesses and uses information effectively and responsibly. The learner:

- Develops an effective search strategy
- Evaluates, selects, and critically analyzes information
- Uses and manipulates information responsibly, ethically, and legally
- Uses technology to access and manage information

See page 39 of the 2006-2007 Lakeland Catalog for the complete General Education Outcomes Model.
