- ● ● **Virtual Adult Learner Information Session**
Available Dec. 5 at noon.
These sessions focus on adult learners who are 25 or older and are considering enrolling at Lakeland Community College for the first time. Each session looks at the most asked questions among adults returning to school such as why should I return to school; how long will it take for me to earn a degree or certificate; and how can I afford it? We will also cover topics on the minds of many adult learners including child care, online classes, credit for prior learning and experience, and resources to balance work, home, and study. Each attendee will also have the opportunity to learn about pathways to completing a bachelor's or master's degree through Lakeland's Holden University Center.
