

How to Access Your RedShelf eBook

1. Go to lakelandcc.redshelf.com.
2. Create or sign in to an existing account.
3. Enter the PIN # located on your bookstore receipt in the redeem code box.

4. If you purchased a publisher's access code, follow the additional instructions located on the My Shelf screen to redeem your access code at the publisher's website. If it is an eBook, click "Start Reading!"

RedShelf Refund Policy

Returned within the posted bookstore textbook return deadlines and:

eBooks

Returned within fourteen (14) days from first day of access or thirty (30) days after date of purchase, whichever occurs first. No refund is possible if more than 10 percent of the product has been viewed and/or if any page(s) of the product has been printed.

Access Codes

Refundable within fourteen (14) days from the date of purchase. No refund is possible if more than 10 percent of the product has been viewed and/or if any page(s) of the product has been printed.

This is your publisher access code

P9QK0ZLPGNF31Z

Use this code to access content on the publisher's website.

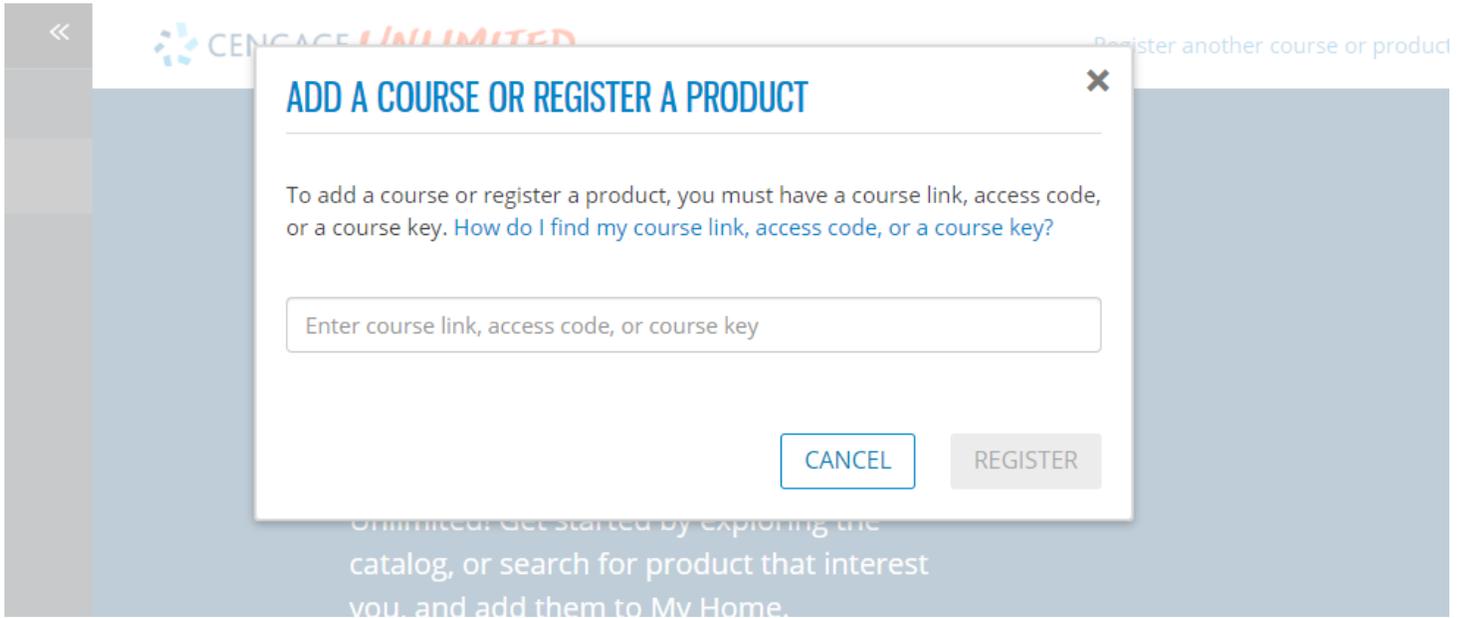

To access your course content, please follow instructions provided by your instructor and redeem your unique access code.

For help, please go to:
<http://www.cengage.com/support>.

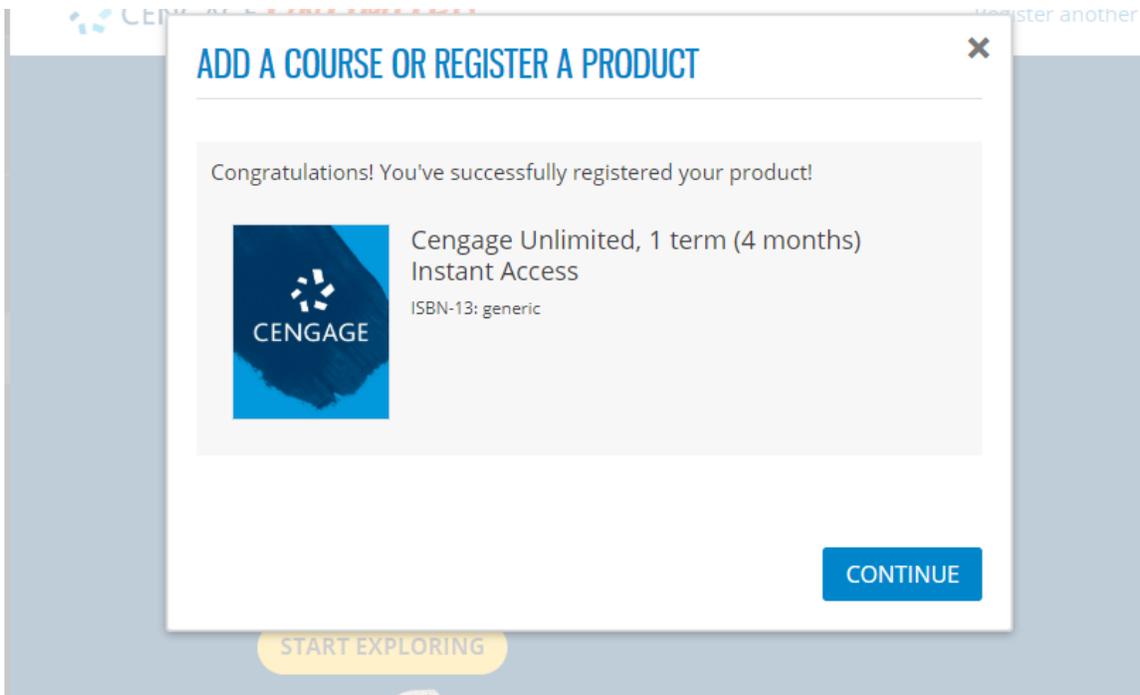

2. Go to Cengage.com.
3. Click the "Sign In" button in the upper right-hand corner to sign in or create an account.
4. Click "Register another course or product" in the upper right-hand corner.

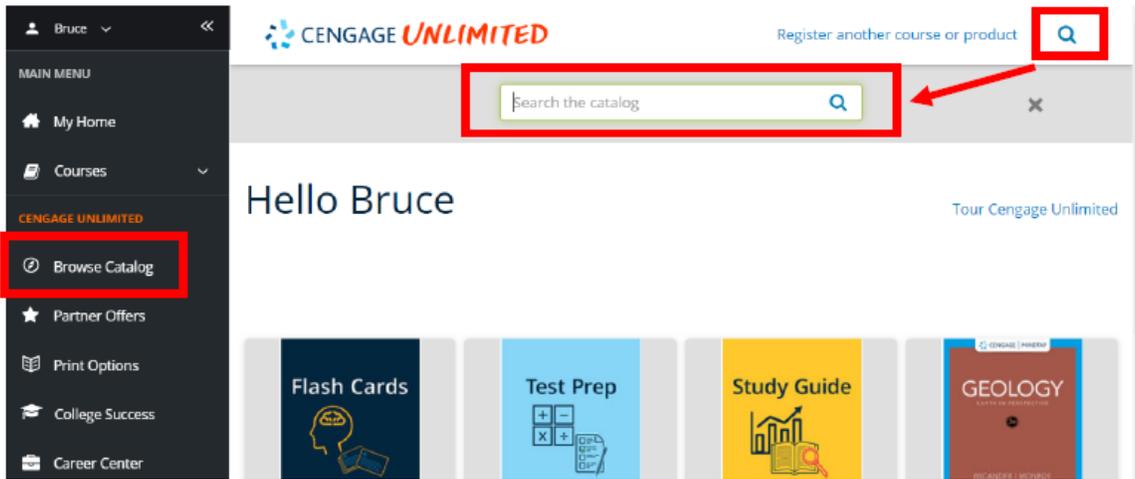

5. Enter the publisher access code provided by RedShelf in step 1 to register your Cengage Unlimited subscription.

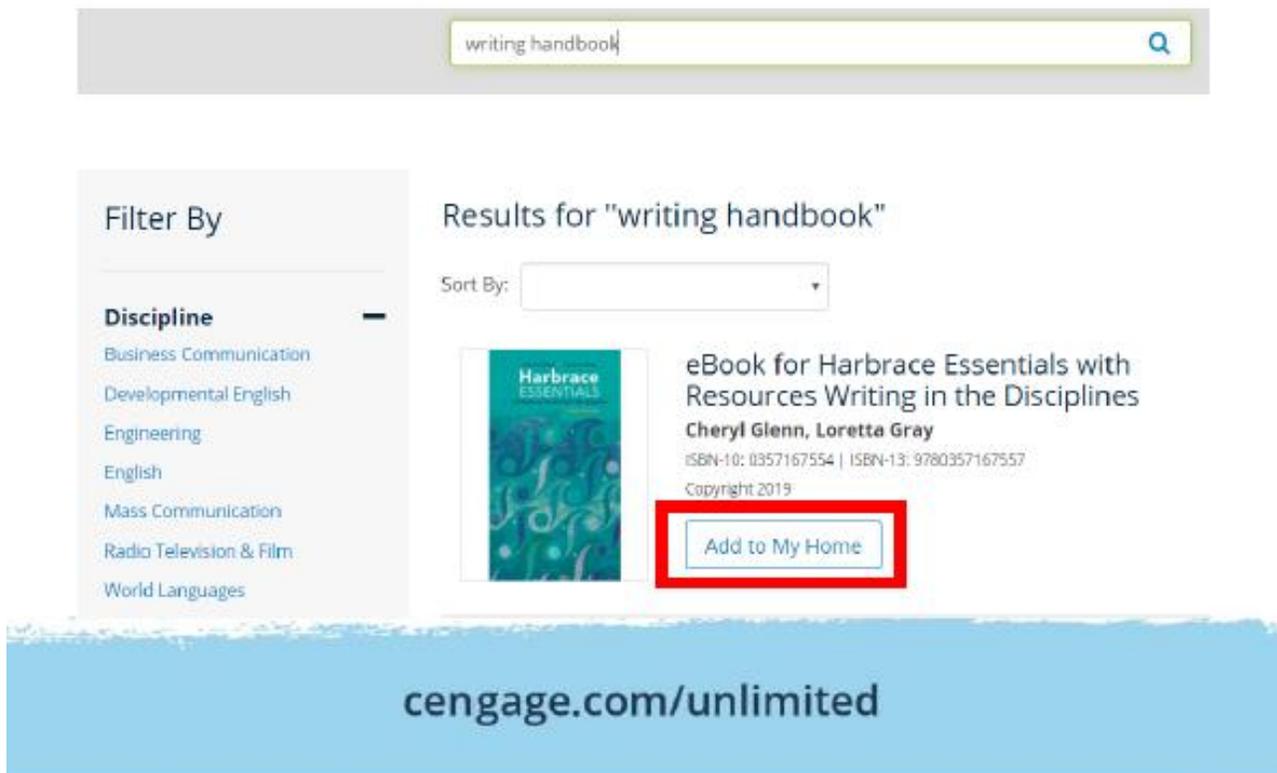

6. Once you've successfully registered your access code, click continue to go to the Cengage Unlimited dashboard.

7. From the dashboard, click the magnifying glass in the upper right-hand corner or “Browse Catalog” in the left-hand navigation menu to search the catalog. You can search by ISBN, title, or author.

8. Once you have found the online textbook you want to read, click “Add to My Home”.

9. If you are adding a MindTap you will need a course key provided by your instructor. You can use the register another course or product screen or use the “Find and add your courses” button directly from your dashboard.
